JOB ANNOUNCEMENT

GAS UTILITY SYSTEMS WORKER

Daphne Utilities is looking for a remarkable person to join our team as **Gas Utility Systems Worker**.

The person we're looking for will be energetic, show enthusiasm every day and will understand that "good enough" never is. This person will have the knowledge to do the job right every time, the ability to install gas utility lines, meters, and related equipment, including operating related equipment and performing related maintenance/repair. The desire to help take a great company to a whole new level of success.

Here is your opportunity to join one of the best public utilities in the country! The *Wall Street Journal* and *Inc. Magazine* have both named us one of the "Top Small Workplaces" in America and we're working constantly to get even better. Does this sound like you? Does this sound like the kind of company you want to work for? Are you ready to be counted among the best there is? Apply now and see if you have what it takes to be part of our incredible team!

You can get an application and a detailed job description at the Daphne Utilities main office located next to the US Post Office in Daphne, Alabama. Our mailing address is 900 Daphne Avenue, P.O. Box 2550, Daphne, Alabama 36526. You can also download a job description and application from our website at www.daphneutilities.com.

To be considered, we must receive your completed application no later than Monday, February 20, 2012 at 4:30 p. m.
